Publicis Loyalty update.

Occupational Health and Safety.

Occupational Health and Safety is an issue for all staff at Publicis Loyalty. Both staff and Management have OHS obligations in ensuring that the workplace remains healthy and safe for all staff. Issues of concern can be many and varied. The issues can range from physical type issues such as torn carpet being a tripping hazard to issues such as workplace bullying and harassment.

Your ASU Occupational Health and Safety Representative is Anita Mortellaro. If you see something in the workplace that needs addressing you can contact Anita to discuss the issues.

Remember - All staff have the right to leave work the way they arrived – Healthy and Safe so it is vital that you participate in ensuring all issues are addressed.

Representational Rights at Publicis Loyalty.

A reminder that all staff are entitled to Representation of their choosing when being asked to attend meetings with Management. Whether the meeting is concerning performance or Wellness counselling the ASU provides Representation to ensure that staff members rights are protected in the Workplace. The ASU and a member of your Delegate Team is available to attend meetings with staff.

Further if you have any questions in relation to any of your Workplace rights you can speak with one of your Delegate Team or Alternative contact Rachel Takats from the ASU on 0419 312 326.

Delegates needed.

The ASU and your current Team of Delegates is looking for more ASU Delegates at Publicis Loyalty. The role of Delegates is vital in your workplace in ensuring that staff have access to Union representation and can seek advice in relation to workplace matters.
